Next was nuisance properties and their status. The property at 106 Cottage has been sent to RDA and will be reviewed by them in May. The Cable Hollow location has been looked at and the county is aware of the vehicle situation. The Route 957 property was discussed and it was noted that the secretary talked to the owner and forwarded the list of items to be addressed.

It was communicated that PennDOT would allow the flashing lights for the Werner Park entrance to be installed. They advised though that we could not leave them on 24/7, only during tournaments or high traffic times. The lights were priced at \$164.57 each.
