There was some conversation in reference to a complaint received regarding the car traffic on Big Four Road and how fast they travel that road. The secretary received a call in the office about the speed that cars travel on this road. It was requested that something be done. The Supervisors advised that they will look into what is involved in posting a speed limit on that road. They also noted that it needs to be determined if Glade has a speed limit posted. The secretary will look into this.

Next was the budget review. They Supervisors have set the revenues and expenses and they discussed the deficit and how to handle this.

The Supervisor's conversed about the possibility of raising property taxes or looking into raising the earned income tax rate. They will investigate into what is the best course of action to take in order to make up for the deficit in the budget.

The newsletter was reviewed and it was stated that there were problems with the last issue. Lisa Miller is willing to help Steve Horsley with the submission of the next edition.
